## GENERAL PRICE LIST

Prices effective January 25, 2024, subject to change.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

**Direct Water Cremation** \$2,980

*This offering includes everything needed for water cremation and fulfilling legal documents.*

Our charge for direct water cremation (without ceremony) includes the basic services of the funeral director and staff, transfer of remains to the funeral home within 50 miles, use of climate controlled resting space, preparation of the body for water cremation, standard shroud, standard urn, the water cremation process, permit fees, and one certified copy of the death certificate.

**Basic Professional Services of Funeral Director and Staff** \$1,050

*Included in Direct Water Cremation*

This fee enables us to provide licensed, professional personnel 24 hours a day to oversee all the details necessary for water cremation arrangements. This may include the arrangement consultation, administration services, filing the death certificate and all incidentals relating to meeting the legal requirements for final disposition.
